ANNOUNCEMENTS  
None

APPROVAL OF MINUTES  
After discussion of the May 27, 2010 meeting minutes, motion was made by Lucksinger and seconded by Borash to approve the minutes. Motion carried unanimously.

ADDITIONAL AGENDA ITEMS  
Under the Managers report: Item#3 Water Consortium meeting.

PUBLIC FORUM  
Ron Leaf inquired if VBWD would be interested in developing a Memorandum of Understanding (MOU) with the City of Oakdale regarding updating its Surface Water Management Plan (SWMP). The MOU would give the City two years to update its rules and standards to the VBWD standards. After discussion, the Managers directed Engineer Hanson and Attorney Marshall to work with Brian Bachmeier, City Engineer for the City of Oakdale, and Ron Leaf, to develop a draft MOU.

CITIZEN ADVISORY COMMITTEE  
Chuck Taylor provided the managers an update on lake level monitoring.

SECRETARY’S REPORT  
No report given.

INSPECTOR’S REPORT  
Inspector Roemmich gave a brief update on on-going projects within the District.

ATTORNEY’S REPORT  
MS4 SWPPP Public Hearing  
Attorney Marshall presented the MS4 SWPPP publication notice for Acting Secretary Lucksinger’s signature. Attorney Wolle is checking into insurance for the District and will report back to the Managers.

TREASURER’S REPORT  
Treasurer Borash distributed copies of the VBWD 2009 Financial Audit. Treasurer Borash reminded the Managers to turn in or email per diem request to him.

WASHINGTON CONSERVATION DISTRICT  
No report given.
ENGINEER’S REPORT
Payment Application: Project 1007 Maintenance  After project review and discussion, motion was made by Bucheck and seconded by Borash for payment for the project 1007 maintenance in the amount of $5,172.19. Motion carried unanimously.

Sunfish Lake-Algal Toxin Testing  Engineer Hanson provided response letters from the State of Minnesota Department of Health and the Minnesota Pollution Control Agency regarding a high level of blue-green algae found in Sunfish Lake. Neither the MPCA or MDH collect or analyze samples for algal toxins, and neither inform the public of the presence of high algal toxins. Engineer Hanson provided a memo from Barr Engineering providing the possible options for VBWD to consider for toxin testing. After discussion, motion was made by Bucheck and seconded by Borash to initiate toxin testing by Barr Engineering on Sunfish Lake and the cost of the testing be added to the routine water quality monitoring program. Motion carried unanimously.

EMWREP Meeting  Engineer Hanson provided an update on the last EMWREP meeting. The meeting focused on outreach to rural areas. Engineer Hanson forwarded an email detailing the meeting from Angie Hong.

South Fork Raleigh Creek Erosion, Lake Elmo  VBWD received a request from a landowner in Lake Elmo to provide assistance to divert water from his property and stabilize the channel on the property easement. The Managers directed Barr to develop a restoration concept plan with a cost estimate for them to review before making a decision.

MANAGERS’ REPORT
Consent Calendar  After discussion, motion was made by Bucheck and seconded by Borash to approve the consent calendar. Motion carried unanimously.

Next Meeting - June 24, 2010  Secretary Scheel will be absent. All other managers plan to attend.

Water Consortium Meeting  President Bucheck provided an update in the water consortium meeting. President Bucheck announced the schedule for the boundary change petition hearing.
