ENGINEER’S REPORT
South Fork Raleigh Creek  At the Managers request, Barr Engineering provided concept stabilization plans and cost estimates for the Managers to consider. After review and discussion, the Managers instructed Engineer Hanson to meet with the homeowner, review the requirements, and discuss options for stabilizing the channel.

Valley Creek Protection Partnership  After review and discussion, motion was made by Borash and seconded by Lucksinger to approve Resolution 2010-03 with the added language as suggested by Attorney Wolle. Motion carried unanimously. President Bucheck will sign the resolution after the language is added. The resolution allows President Bucheck to sign an agreement with the DNR for the Lessard-Sams Outdoor Heritage Council grant. Engineer Hanson will send the requested paperwork to the DNR, which will include a note that no Manager serves in a leadership role on a board of a non-government organization.

Washington Conservation District MLCCS Funding Request  After discussion, the Managers decided they will not finance the updates to the maps. Engineer Hanson will notify Jay Riggs of the Washington Conservation District.

Citizen Assisted Monitoring Program  Attorney Wolle covered this agenda item under the Attorney’s report.

System Inspection Report  Enclosed in the Managers’ packet was the annual systems inspection report from Barr Engineering. The Managers reviewed the report and recommendation. After discussion, the Managers directed Engineer Hanson to obtain a bid from John Buelow for work on items 1, 2, and 5. The Managers directed Barr Engineering to complete items 3 and 4.

Oakdale Station  The permit holder is requesting a release of the surety being held for the Oakdale Station, Permit 2007-04. After discussion, motion was made by Borash and seconded by Lucksinger to retain the letter of credit as is and not to release surety pending the completion of the close out items. Motion carried unanimously.

MS4 Public Hearing  At 8:00 pm President Bucheck made a motion, seconded by Borash, to suspend the managers meeting and to open the public hearing for comments on the annual report for the Municipal Separate Storm Sewer Systems (MS4) for the 2009 calendar year for VBWD. Motion carried unanimously. President Bucheck asked for comments to the annual report, and hearing none, President Bucheck closed the hearing at 8:02 pm, and resumed the Managers meeting.
