Kelli Matzek, Washington County Emergency Management
Washington County is in the process of updating the countywide All Hazard Mitigation Plan with an anticipated completion in the late fall of 2017. Ms. Kelli Matzek with Washington County was present to discuss the plan, risk areas, mitigation, and potential projects within VBWD. After discussion, the Managers directed Barr Engineering to review the VBWD plan and provide Ms. Matzek a list of applicable projects.

ENGINEER’S REPORT
Permit Request: Cedarleaf Pointe, Mahtomedi
After discussion, a motion was made by Marchan and seconded by Lucas to approve permit 2017-20 for Cedarleaf Pointe in Mahtomedi with the suggested and applicable site specific conditions. Motion carried unanimously.
**Sunnybrook Lake**  At the July 13, 2017 VBWD meeting, the Managers directed Barr Engineering to prepare a work plan outline for evaluating the feasibility of constructing a permanent pumping system with the purpose of mitigating the flood risk within Sunnybrook Lake neighborhood. The Managers reviewed the memorandum prepared by Barr Engineering for a long-term plan. After discussion, a motion was made by Bucheck and seconded by Marchan to direct Barr Engineering to proceed with the tasks listed in the draft work plan and to also investigate discharging of the Sunnybrook Lake water in an area east of Lake Elmo Avenue and south of Highway 12. Motion carried unanimously. President Bucheck updated the managers on the pumping at Indian Hills Golf Course. The Managers received an invoice from Mr. Regan for $2,300 to monitor/pump the water in July.

**Minnesota Wetland Conservation Act Notice of Decision: Wetland Boundary and Type, Jarvis weeHouse, Lake Elmo**  After discussion, a motion was made by Fetcher and seconded by Lucas to approve the Wetland Conservation Act Notice of Decision for the Jarvis weeHouse in Lake Elmo. Motion carried unanimously.

**Beaver Control Request**  A resident of West Lakeland Township contacted the VBWD requesting assistance for beaver removal on their property. After discussion, the Managers directed Barr Engineering to inform the property owner to hire a beaver trapper, and to submit the cost to the VBWD.

**Paul Putzier Letter**  The Managers directed Barr Engineering to respond to Mr. Putzier and authorized Engineer Hanson to attend an on-site meeting if Mr. Putzier wants to coordinate one with Minnesota Department of Transportation, the Minnesota Department of Natural Resources, and other entities.

**MANAGERS’ REPORT**

**Consent Calendar**  After discussion, a motion was made by Marchan and seconded by Lucas to approve the consent calendar. Motion carried unanimously.

**Website**  Vice President Fetcher Lincoln provided update on his communications with the website design company. Engineer Hanson sent some photos for the website. Recording Secretary Imse has been reviewing the website to see what is still current and what can be archived.

**2018 Budget**  The Managers discussed the 2018 levy and budget and which programs, projects, and activities to include. President Bucheck will prepare an updated draft 2018 budget for the managers to review at the next meeting. At the August 24th VBWD meeting the Managers will discuss the budget details and provide Attorney Torseth a preliminary budget to publish for the September 14th budget hearing. VBWD will send Account Martinson the agreement with the City of Afton to process payments #2 and #3 ($50,000 each).

**VBWD Tour**  The Managers will tour the VBWD on September 7th starting at 5 pm. Tour sites might include Afton Village, Royal Golf Club, and CSAH 13. Engineer Hanson will develop a draft itinerary and review drive times.
