Valley Branch Watershed District (VBWD) President Jill Lucas has determined that an in-person meeting of the VBWD Board of Managers is not practical or prudent given the COVID-19 pandemic and Centers for Disease Control and Minnesota Department of Health guidance on minimizing potential spread of the virus. As with other public organizations and in accordance with Minnesota Statutes Section 13D.021, VBWD will instead conduct its regular October 22 meeting at 7 p.m. CDT, Thursday, October 22, 2020, by web conference and conference call. Members of the public wishing to participate in the meeting may do so by accessing the web-based conference or connecting by phone (conference call).
